So, I let the Minsters play with the flashlights

and the puppets,

and they all went home happy.

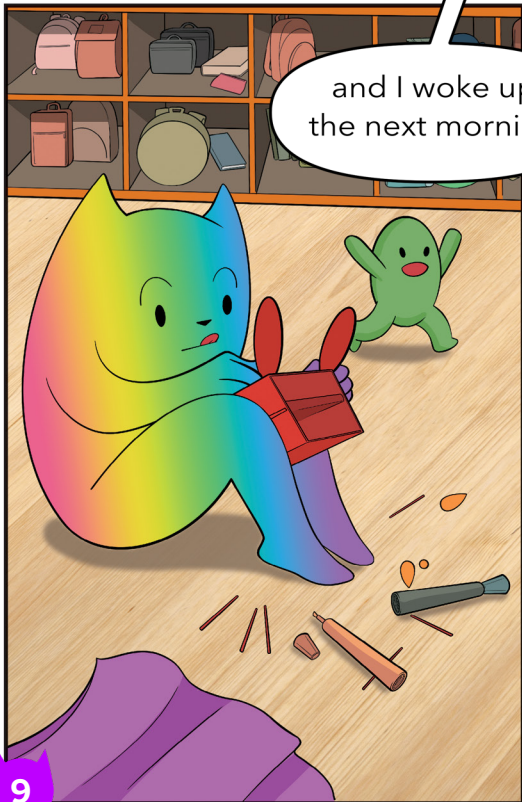

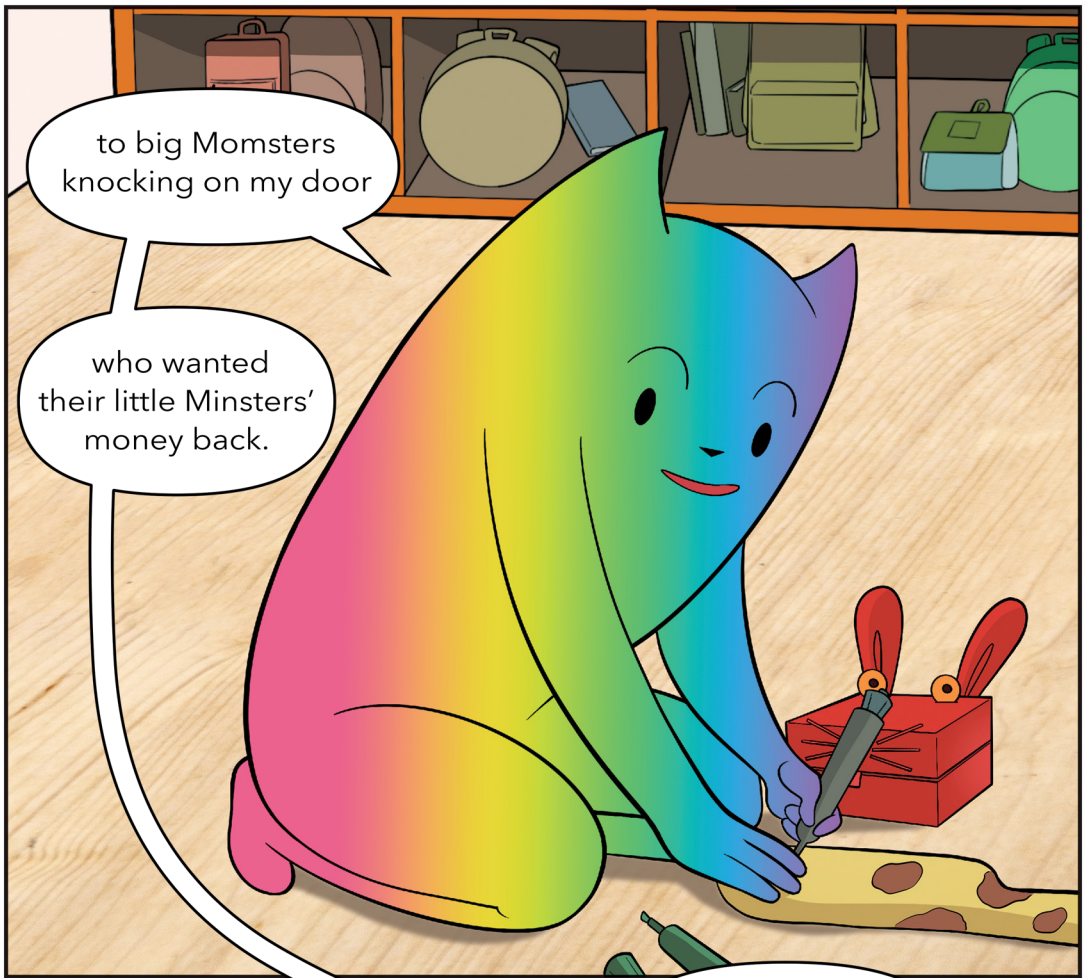

So, I got to buy all the candy I could eat,

so, that night I went to bed with a stomach ache

and I woke up the next morning

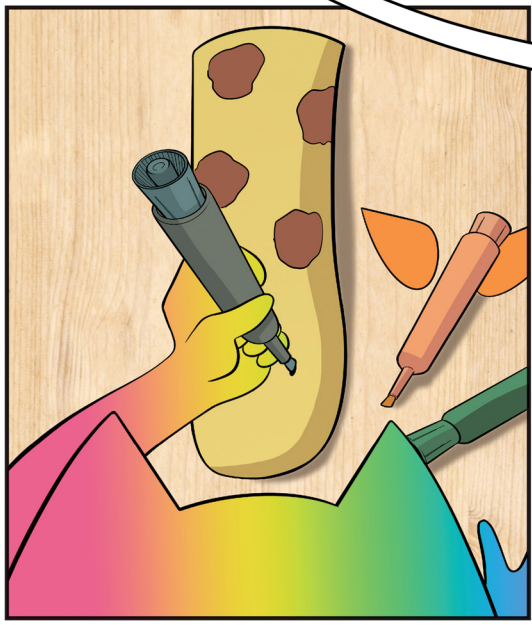

to big Momsters knocking on my door

who wanted their little Minsters' money back.

I explained that I already spent that money on a bad night's sleep...

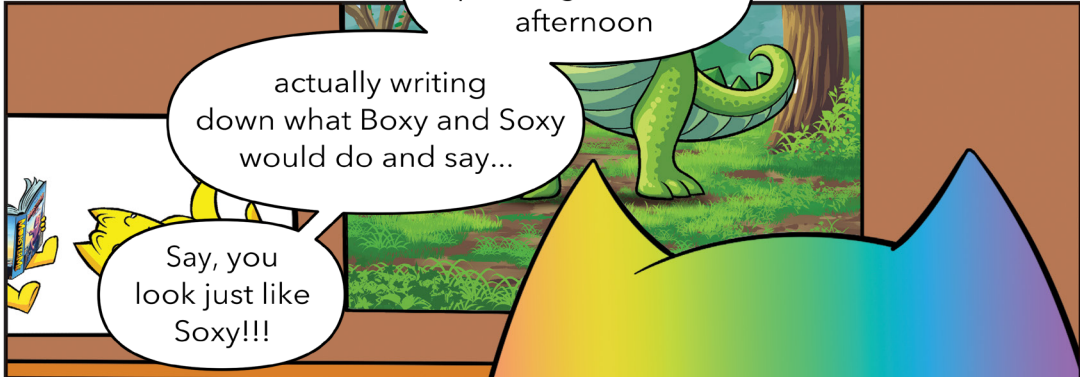

...and this stomach ache.

So I ended up spending the whole afternoon

actually writing down what Boxy and Soxy would do and say...

Say, you look just like Soxy!!!

Oh
